

**IN THE UNITED STATES DISTRICT COURT
FOR THE NORTHERN DISTRICT OF OHIO
WESTERN DIVISION**

Drewes Farms Partnership,

Plaintiff,

v.

City of Toledo,

Defendant.

No. 3:19-cv-00434-JZ

[Proposed] Order

1 The Court denied Proposed Intervenor-Defendants Lake Erie Ecosystem and
2 Toledoans for Safe Water's Motion to Intervene on May 7, 2019 (Doc. 23).
3 However, in the interests of justice and allowing these prospective parties the
4 opportunity to seek review of this Court's Order, the Court hereby stays the case
5 pending a decision by the Sixth Circuit on the Court's denial of intervention.

6 The Court recognizes that its Preliminary Injunction Order (ECF No. 9) has

1 already preserved the status quo between the existing parties in the case by
2 enjoying the City of Toledo, and its agent and employees, from enforcing LEBOR.

3 The Proposed Intervenor-Defendants are not required to post a bond or other
4 security.

5 The May 17 Record Phone Conference is canceled (*see* Doc. 24).

6 Until the Sixth Circuit issues an opinion on the Proposed
7 Intervenor-Defendants' appeal, the existing parties in this case may not file
8 dispositive motions, stipulations, or agreements, or otherwise seek a judgment
9 from this Court.
